## Merchant Instructions

### QR Code Instructions

Scan QR Code to Request Free Package Pickup  
or to Find a Post Office to drop off Packages

1. Center the label onto the largest side of the package so that label information does not wrap around any edge.
2. If not using self-adhesive label, tape or glue shipping label to the package. DO NOT TAPE OVER BARCODE. Be sure all label edges are secured.
3. DO NOT PHOTOCOPY. Each shipping label number is unique to the intended shipment and can be used only once.  
If needed, contact merchant for a replacement label.
4. If reusing a box or other container then completely remove, cover, or mark out any other barcode and address markings.
5. Mail the parcel at a Post Office, drop it in a collection box, leave it with a letter carrier, or schedule a free pickup at [usps.com](https://usps.com)

## Online e-Label Record
